Michael S. Sheppard, D.C.

Dr. Michael Sheppard has been in active practice for 20 years. He currently practices at Moody Health Center at Texas Chiropractic College in Pasadena, Texas where he also serves as the Director of Clinical Services and teaches the Practice Ready Curriculum. In addition to his full-time practice and teaching duties, he is currently the Faculty Association President, serves as a member of the Curriculum Committee and is the Academic Department Head Chair for Texas Chiropractic College. He is also a panelist and reviewer for the Council on Chiropractic Guidelines & Practice Parameters (CCGPP).

Dr. Sheppard has been a Designated Doctor for 15 years and is a current member of the Medical Quality Review Panel. His experience also includes impairment reviews across multiple jurisdictions utilizing the 3rd, 4th, 5th, and 6th edition of the Guides. He provides lectures to medical and legal audiences and stake-holders on impairment ratings and evidence-based treatment guidelines.
