Form Usage Table
(Optional/Mandatory/Conditional Mandatory)

This table provides supporting information for TDI's use during the review of the filing. It might not reflect the final approved forms in the filing. Use more than one page if needed.

Optional – The policy form or endorsement will be used only if the insured chooses to add it to their policy. Example: Optional – Personal Articles Endorsement

Mandatory – The policy form or endorsement will be required on all policies. Example: Mandatory – Special Provisions – Texas

Conditional Mandatory – The policy form or endorsement will be required under certain situations. Example: Conditional Mandatory – Cosmetic Damage for Metal Roofs Exclusion.
