Subchapter G. Workers' Compensation Insurance
Division 2. Group Self-Insurance Coverage
28 TAC §§5.6401 - 5.6411 and 5.6413

INTRODUCTION. The commissioner of insurance adopts amended 28 TAC §§5.6401 - 5.6411 and 5.6413, concerning group self-insurance coverage. The commissioner adopts §§5.6401 - 5.6404, 5.6406, 5.6407, 5.6409 - 5.6411, and 5.6413 without changes to the proposed text published in the July 31, 2026 issue of the *Texas Register* (51 TexReg 4983). Sections 5.6405 and 5.6408 are adopted with nonsubstantive changes to the proposed text to correct references to section titles.

REASONED JUSTIFICATION. The amendments are necessary to implement Senate Bill 264, 89th Legislature, 2025, which added Labor Code §407A.0521, concerning New Certificates of Approval Prohibited. Section 407A.0521 prohibits the issuance of a certificate of approval to a proposed self-insurance coverage group on or after September 1, 2025, though it provides that the commissioner may amend a certificate of approval that was issued to a group before September 1, 2025.

As proposed, the amendments include nonsubstantive rule drafting and formatting changes for plain language to conform the sections to the agency's current style and to improve clarity. These alterations include changing "shall" to "must," "will," or "may"; "pursuant to" to "under"; "percent" to "%"; and lowercasing "commissioner." Amendments also add chapter and section titles and correct grammatical errors, such as fixing unhyphenated adjectives, adding missing commas, and removing unnecessary articles.

The adoption changes some of the proposed language that added titles to statutes and rules. The adoption corrects the title of Insurance Code §493.157 by replacing the proposed title "Authorized Reinsurance; Credit and Accounting" with "Examination of

Trust and Assuming Insurer" in §5.6405(b)(1). The adoption also removes the proposed titles of §5.6403(c)(6) and §5.6403(c)(7), "(relating to Acknowledgment of Indemnity Agreement)" and "(relating to Fidelity and Performance Bonds)" respectively, in §5.6408 as those references are unnecessary.

Section 5.6401. An amendment to §5.6401 removes a reference to applicants, since under Labor Code §407A.0521 applications for new self-insurance group certificates may no longer be approved. Amendments also include nonsubstantive rule drafting and formatting changes.

Section 5.6402. Amendments to §5.6402 include nonsubstantive rule drafting and formatting changes.

Section 5.6403. Amendments to §5.6403 include disallowing unincorporated associations or business trusts that propose to organize as workers' compensation self-insurance groups to file applications for certificates of approval; stating that the commissioner will no longer issue new certificates of approval to proposed groups; stating the commissioner may amend a certificate of approval issued to a group before September 1, 2025; and nonsubstantive rule drafting and formatting changes.

Section 5.6404. Amendments to §5.6404 include nonsubstantive rule drafting and formatting changes.

Section 5.6405. Amendments to §5.6405 include replacing outdated references to provisions from the uncodified Insurance Code and nonsubstantive rule drafting and formatting changes. The adoption corrects the title of Insurance Code §493.157 as referenced in the proposal by replacing the proposed title "Authorized Reinsurance; Credit and Accounting" with "Examination of Trust and Assuming Insurer" in §5.6405(b)(1).

Section 5.6406. Amendments to §5.6406 include nonsubstantive rule drafting and formatting changes.

Section 5.6407. Amendments to §5.6407 include nonsubstantive rule drafting and formatting changes. No changes were proposed to Figure 28 TAC §5.6407(b).

Section 5.6408. Amendments to §5.6408 include nonsubstantive rule drafting and formatting changes for plain language. No changes were proposed to Figure 28 TAC §5.6408(c). The adoption changes the proposed text by removing incorrect and unnecessary references to the title of §5.6403 in subsection (a) and (b).

Section 5.6409. Amendments to §5.6409 include nonsubstantive rule drafting and formatting changes.

Section 5.6410. Amendments to §5.6410 include replacing outdated references to provisions from the uncodified Insurance Code and nonsubstantive rule drafting and formatting changes.

Section 5.6411. Amendments to §5.6411 include nonsubstantive rule drafting and formatting changes.

Section 5.64013. Amendments to §5.6413 include nonsubstantive rule drafting and formatting changes.

(e) A group is required to maintain at all times the qualifications necessary to obtain a certificate of approval issued under Labor Code Chapter 407A, concerning Group Self-Insurance Coverage.

(2) the surplus lines insurer maintains a financial strength rating of ''A-'' or better, as determined by A.M. Best Company;

(3) the surplus lines insurer provides a clean, irrevocable, and unconditional letter of credit in favor of the group as beneficiary and held by the group, subject to withdrawal solely by and under the exclusive control of the group, to secure the payment of losses, including losses, loss adjustment expenses, incurred but not reported losses,

and any other obligation of the surplus lines insurer under the terms and conditions of the excess insurance policy, whether paid or unpaid by the group:

(A) in no less than the greater of:

(i) the amount of actuarially projected losses to ultimate; or

(ii) the amount of actual losses to ultimate;

(B) issued by a qualified United States financial institution as defined in Insurance Code §§493.002, concerning Applicability of Chapter; 493.102, concerning Credit for Reinsurance Generally, and 493.104, concerning Credit for Funds Securing Reinsurance Obligations; and

(C) provided the letter of credit is in a form acceptable to the department and meets the requirements in 28 TAC §7.610 (relating to Letter of Credit Requirements), except for those requirements that apply solely to reinsurance agreements;

(4) the group timely collects recoverables and receivables from the surplus lines insurer, but in no event, later than 90 days, including, if needed, drawing down on the letter of credit;

(5) the group submits the surplus lines policy forms, renewal forms, certificates, endorsements and amendments applicable thereto, and any agreements between the surplus lines insurer and the group to the department for review prior to use and the group may not accept or enter into any agreement or arrangement with the surplus lines insurer that has not been reviewed by the department;

(6) the group demonstrates to the satisfaction of the department that the group meets the requirements of subsection (b) of this section before obtaining and in order to maintain excess insurance coverage from an eligible surplus lines insurer; and

(c) A group may petition the department to obtain excess insurance in an amount that is different than the amount required by subsection (a) of this section. In determining whether to grant a group's petition, the commissioner will consider the current market conditions; a group's size, types of employment, years in existence, and risk exposure; other forms, if any, of additional financial security available to the group; and any other relevant factor. In no event, however, may a group's excess insurance coverage be less than $10 million per occurrence.

(d) To assist the commissioner in making the determination under subsection (c) of this section, the group must, at a minimum, submit an analysis prepared by an actuary of the appropriate level of specific excess insurance for the group.

§5.6406. Indemnity Agreement.

The indemnity agreement required by Labor Code §407A.051(c)(14), concerning Application for Initial Certificate of Approval; Approval Requirements, and §407A.056, concerning Indemnity Agreement Requirements, must be executed by all employers in the group and must contain the following provisions.

(1) THIS IS A LEGAL DOCUMENT THAT BINDS THE SIGNATORIES TO SPECIFIC DUTIES AND RESPONSIBILITIES REGARDING GROUP FINANCIAL ARRANGEMENTS FOR COVERING WORKERS' COMPENSATION INJURIES AND

OCCUPATIONAL DISEASE AND EMPLOYERS LIABILITY INSURANCE COVERAGE IN THE STATE OF TEXAS.

(2) JOINT AND SEVERAL LIABILITY: THIS PARAGRAPH REQUIRES THE EMPLOYER TO JOIN IN PAYING WORKERS' COMPENSATION LOSSES OF THE GROUP IN THE EVENT THE GROUP'S ASSETS ARE NOT SUFFICIENT TO COVER THE LIABILITIES. The Employer will be jointly and severally obligated with each other member of the group to meet the workers' compensation and employer's liability insurance coverage obligations of the group and to make any and all payments to the group, which may be necessary to meet the group's obligations under applicable Texas law and regulations and also in accordance with the group's Bylaws; including agreeing that if the assets of the group are at any time insufficient to enable the group to discharge the group's legal liabilities and other obligations and maintain the reserves required of it under applicable Texas statutes and regulations, and the group is unable to otherwise make up the deficiency in accordance with Texas laws, regulations, and the group's Bylaws, then the Employer will be jointly and severally liable to pay an assessment by the group in an amount necessary to make up the deficiency.

(3) The Employer remains jointly and severally liable even if the Employer is cancelled by the group or elects to terminate membership in the group. The Employer will remain jointly and severally liable for the workers' compensation and employer's liability insurance coverage obligations for the group and its members that were incurred during the Employer's period of membership.

(4) The insolvency or bankruptcy of the Employer will not relieve the group, the Employer, or any member from liability for the payment of any benefits incurred during the insolvency or bankrupt member's period of membership.

(5) The Employer is not buying a policy of insurance. The employer is entering into an agreement which is evidence that the employer is a subscriber to the Texas workers' compensation system.

(6) Because the sums required to fulfill workers' compensation and employer's liability insurance coverage obligation of the group cannot be known precisely in advance, the premium and other assessments, reserve requirements, and other financial requirements for the group's operation will initially be established by estimates.

§5.6407. Acknowledgment of Indemnity Agreement.

(a) Each member must execute the acknowledgment set forth in subsection (b) of this section. The acknowledgment must be printed in black ink on an 8-1/2-inch by 11-inch sheet of white paper in at least 11-point type.
