Consent Order
DWC Enforcement File No. 31808

General remarks and official action taken:

This is a consent order with Texas Builders Insurance Company (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was classified as "high" tier in the 2007, 2009, and 2010 Performance Based Oversight (PBO) assessments. Respondent was not selected to be tiered in the 2012, 2014, 2016, 2018, 2020, or 2022 PBO assessments.

DWC Audit No. IBA-23-122

3. On [REDACTED] DWC initiated DWC Audit No. IBA-23-122 to determine whether Respondent complied with the Texas Labor Code and related rules on the timely payment of death benefits as well as timely submitting claim data to DWC.
4. The audit examined death benefit payments that Respondent reported issuing between [REDACTED] and [REDACTED]. DWC identified two initial death benefit claims for audit. The two claims were reviewed to determine Respondent's compliance.
5. The audit focused on the accuracy of Respondent's payment of death benefits, as well as timely submitting claim data to DWC. The electronic data interchange (EDI) portion of the audit focused on timely reporting death benefit terminations.

Failure to Timely Pay Accurate Death Benefits

6. Respondent failed to timely pay accurate death benefits for 100% of examined payments (two out of two).
7. Specifically, Respondent issued inaccurate payments to beneficiaries over a period of 753 weeks in one instance, and over a period of 25 weeks in the second instance. The combined underpayment of death benefits for the examined claims was [REDACTED].

Assessment of Sanction

1. Failure to provide death benefits in a timely and cost-effective manner is harmful to injured employees, their beneficiaries, and the Texas workers' compensation system.
2. DWC relies on claims information insurance carriers submit for many purposes, including, but not limited to, providing required information and reports to the Legislature, ensuring that insurance carriers comply with the Texas Labor Code and DWC rules, and detecting patterns and practices in actions insurance carriers take on claims.

3. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee or their beneficiaries;
 - the history of compliance with EDI requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
4. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee or their beneficiaries; the history of compliance with EDI requirements; and other matters that justice may require, including the size of the company or practice.
5. DWC considered the relatively minor weekly effect on the beneficiaries benefits as a mitigating factor pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
6. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the

factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

7. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
