

**Form CCP 2
Consumer Choice Health Benefit Plans Data
Certification to the Texas Department of Insurance
Relating to Requirements of 28 TAC Section 21.3544**

Cover Sheet

Company Name: _____

NAIC Number: _____ TDI Number: _____

Reporting Year: _____

The following information, related to fully insured consumer choice health benefit plans issued by health carriers in this state, is required to be provided no later than April 1 of each calendar year, under 28 TAC Section 21.3544.

Please note that for each market plan type listed, the total number of renewed plans reported in a calendar year generally should NOT exceed the total number of plans (newly issued and renewed combined) reported in the previous year. Likewise, the number of lives covered under renewed plans as reported should generally not exceed the total number of lives covered as reported in the previous year. For example, if a company reports a total of 4,500 newly issued and renewed consumer choice individual plans in one year, the total number of *renewed* plans reported in the subsequent year should not exceed 4,500. An exception would be if a company assumed a new block of business from another company, thus increasing the number of plans renewed in a subsequent year beyond the total reported for the previous year. If that has occurred, please indicate the assumed company's name and detailed information in Item 5, the Additional Information field.

Please note that throughout this data form, "number of lives" includes all covered individuals, including members/employees, spouses, and dependents. Do not report only the number of certificate holders or employees.

If reporting more than one insurer or HMO, a separate form is required for each licensed entity.

Interactive Form Instructions

Form LHL610 contains form fields that companies will complete on-screen using Adobe reader 9.0 (or higher). You can then print the PDF form or export the form data to a separate file after completion. Following are instructions on how to complete and submit the data collection form.

- Select the Hand tool or use the tab key to navigate between form fields.
- To make form fields easier to identify in the PDF file, do any of the following in the Document Message Bar:
 - To display a light blue color in the background of all form fields, select Highlight Fields.
 - To display a red outline around all form fields that you are required to fill, select Highlight Required Fields. (Using this option will display the form's required fields.) **You will not be able to submit form LHL610 if you have not completed all required fields.**
- The form fields are preformatted, and the correct formatting will appear when you tab to the next field. The following examples demonstrate the correct data entry format.
 - Enter numerical (non-currency) data without any formatting. For example, enter "2,500" as "2500."
 - The form will not accept text responses in numerical form.

Data Submission Instructions

After completing the PDF form as just described, print the form for your records by clicking the "Print Form" button located at the bottom of the form. You will not be able to save the completed form. Then, submit the file to TDI as follows:

- If you are using a desktop email application, make sure the application is open before attempting to submit the form. Then click the "Submit By Email" button located at the bottom of the form. A new email message with an XML file attachment should appear. Ensure that the message is addressed to HealthData@tdi.texas.gov and that the subject includes the NAIC number.
- If you are using an internet-based email application, such as Gmail, Hotmail, etc., the "Select Email Client" dialog box will appear after you click the "Submit By Email" button located at the bottom of the form. Select the "Internet Email" option, and then click OK. Save the survey file as an XML file using the default filename (lhl610.xml). Then, open your internet-based email application and attach the XML file to your email.

Address the message to HealthData@tdi.texas.gov, and enter "CCP - Figure 2 Data Call" as the subject of the message. Include the company's name and NAIC number in the body of the message.

As stated previously, you will not be able to submit form LHL610 if you have not completed all required fields. If a required field is blank when you click the "Submit By Email" button, you will receive an error message and a red border will appear around the field(s) that requires completion. Once all such fields are completed, you may try to submit your data again using the "Submit By Email" button.

To ensure that company data is complete and processed correctly, TDI will only accept surveys returned in XML format as described previously. TDI will not accept any survey returned in a different format, including scanned PDF files.

Send all questions concerning the Form CCP 2 Data Call via email to HealthData@tdi.texas.gov.
