FAQ

Supplemental income benefits (SIBs) application

Where do I send this form?

- For the **first quarter**, send this form and supporting documentation to the Texas Department of Insurance, Division of Workers' Compensation (DWC) by the filing due date on the SIBs notification letter.

Fax: 512-804-4378

Mail: Texas Department of Insurance, Division of Workers' Compensation
Claims and Customer Services, Mail Code CCS
PO Box 12050
Austin, TX 78711

- For all other quarters, send application and supporting documentation to the insurance carrier by fax, mail, or email.

What if I'm unable to work?

Send medical documentation from your doctor that explains how the injury prevents you from returning to work. There is no need to do work searches for any weeks your doctor has said you can't work.

What if I'm able to work?

You must meet one of the work search requirements listed below during each week of the qualifying period.

- Show you were actively looking for a job by attaching job applications or other documents showing you were looking for a job;
- Show you were actively participating in work search efforts conducted through the Texas Workforce Commission (TWC) by attaching applications, resumes, letters, or other documents showing you were actively looking for a job. Contact TWC at 512-936-6400 or visit www.twc.texas.gov/jobseekers/job-search for more information; or
- Show you were actively participating in a vocational rehabilitation program during the qualifying period by attaching documents issued by TWC such as determination letters, individualized plan for employment, employment goal, or other documents showing participation in a program. Contact TWC at 512-936-6400 or visit www.twc.texas.gov/jobseekers/vocational-rehabilitation-services for more information.

Use the attached work search log to track the applications you've submitted each week. You can attach more work search pages if needed.

The number of weekly work searches is based on the county you live in. Contact DWC or visit www.twc.texas.gov/jobseekers/required-number-work-search-activities-county for the number of work searches your county requires. If out of state, contact your local unemployment office to find out how many work searches you must do.

Can I still apply if I'm working?

Yes, if you are earning less than 80% of your average weekly wage due to permanent impairment from your injury. You can document this with pay stubs or wage statements.

What if my application is denied?

You can ask for a benefit review conference. At the conference, someone from DWC will listen to you and the insurance carrier and try to help you reach an agreement. An injured employee who is not represented by an attorney may also get help by contacting the Office of Injured Employee Counsel at 866-393-6432.
