Assessment of Sanction

1. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system. It is a serious violation to fail to timely act on a medical bill involving designated doctor services, which do not require preauthorization and which serve an essential function in the Texas workers' compensation system. Untimely payment can have a chilling effect on a designated doctors' participation in the system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to

deter future violations; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee; and other matters that justice may require, including but not limited to evidence of a heightened awareness of the legal duty to comply with the Act and DWC rules. Further, the late medical bill payments in ECase 31811 were more than 140 days late and involved DD services, which do not require preauthorization and are essential to the Texas workers' compensation system.

4. DWC is aware of no mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

1. The commissioner has jurisdiction over this matter pursuant to Tex. Lab. Code §§ 402.001, 402.00111, 402.00114, 402.00116, 402.00128, 414.002, and 414.003.

3. Respondent has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.
4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.

8. Respondent violated Tex. Lab. Code §§ 408.027; 415.002(a)(20) and (22); and 28 Tex. Admin. Code § 133.240 each time Respondent failed to pay, reduce, deny, or determine to audit a completed medical bill within 45 days of receiving the bill.

Failure to Timely Pay Interest

9. Pursuant to 28 Tex. Admin. Code § 134.130, insurance carriers are required to pay interest on medical bills paid on or after the 60th day after originally receiving the complete medical bill.
10. Respondent violated Tex. Lab. Code § 415.002(a)(22) and 28 Tex. Admin. Code § 134.130 by failing to timely pay interest on a medical bill paid on or after the 60th day after receipt of the bill.
