RE: Amended Residential and Commercial Policies Regarding Aluminum/Metal Screen Enclosures

Dear Marilyn:

The TWIA Board of Directors met on June 18th, 2013 and approved the petition as filed with this submission regarding metal screen enclosures. In accordance with Texas Administrative Code §5.4911 (g), we are submitting amended pages affected in the TWIA Residential and Commercial Policies.

Attached to this cover letter are amended Residential and Commercial Policies (marked up and clean versions), a transmittal form, and Explanatory Memorandum. If approved, we request an implementation date to be the 1st of the month following 30 days from TDI approval for both new business and renewals, to allow adequate time for new policies to be printed and put in production.

If you or your staff have any questions, or need additional information, please let me know. I can be reached at 512-637-4072 or my email at mledwik@twia.org.

Very truly yours,

Michael Ledwik
