# Instructions for the Texas Supplemental "A" for County Mutuals

The purpose of the Texas Supplemental A for County Mutuals form is to identify:

- 1. Agencies writing the Company's premium.
- 2. Reinsurers to which that premium is ceded.
- 3. Identify policy fees.

#### Notes:

- a) If Premiums are written through an MGA, record the name of the MGA in the "Agency" column. In this event, names of agents/agencies producing business for the MGA are not required in this column.
- b) If the Total of column 1 does not agree with page 2, Assets, sum of Lines 15.1 and 15.2, attach a separate sheet reconciling any differences.
- c) If the Total of column 2 does not agree with the Total of Schedule F Part 3, column 6, attach a separate sheet reconciling any differences.
- d) If the Total of column 3 does not agree with the Total of Schedule F Part 3, sum of columns 7 and 8, attach a separate sheet reconciling any differences.
- e) If the Total of column 4 does not agree with the Total of Schedule F Part 3, sum of columns 9, 10, 11, and 12, attach a separate sheet reconciling any differences.
- f) If the Total of column 5 does not agree with the Total of Schedule F Part 3, column 13, attach a separate sheet reconciling any differences.
- g) If the Total of column 6 does not agree with the Total of Schedule F Part 3, sum of columns 16 and 17, attach a separate sheet reconciling any differences.
