

## Actuarial Certification of Compliance for Indexed-Linked Annuities with an Additional Basis Point Reduction

Name of Insurance Company

Policy or Contract Form Number

I am familiar with the requirements of Chapter 1107, Texas Insurance Code, as they pertain to indexed-linked annuities. I have also reviewed the methodology that will be used in calculating and setting assumptions for the additional reduction in nonforfeiture rate for indexed-linked annuities. Based on my review, I certify that the methodology used meets the minimum requirements of Chapter 1107, Texas Insurance Code.
