

David Kerry Mack, JD/MD

**Objective/goal:** I wish to continue to work for great organizations that serve the community and to continue my professional career utilizing my legal, medical, and accounting skills to make a positive impact in the world challenged by the Covid 19 crisis. Importantly, I wish to fully utilize my four year MD degree and education in a legal context to serve the country undergoing Covid challenges.

**Employment:**

Texas Department of Public Safety, Office of General Counsel, ALR Staff Attorney in Waco Texas. November 15, 2017 till now. As an ALR (administrative license revocation) attorney with the Texas Department of Public Safety, I have represented the State of Texas in adjudicating nearly 5000 civil drivers license suspensions pursuant to arrests for driving while intoxicated under the influence of alcohol and narcotics. .

Texas Workforce Commission State Office of Appeals, Hearing Officer I. As a State Administrative Law Judge, Hearing Officer, I conducted hearings and issued decisions consistent with the Texas Workforce Commission Hearing Officer Handbook and relevant laws. December 1, 2016 thru August 3, 2017.

State of Texas, Health and Human Services, Data Integrity's merger unit , Texas Works Advisor I. As a member of Data Integrity's merger unit, I was responsible for timely and accurately processing cases in specific systems in order to effectively implement benefits appropriately for the customers that we served. July 5, 2016 to November 30, 2017.

Self employed solo attorney 2009-2015 focusing on Title VII employment law litigation, tax, contract and construction law litigation, personal injury, family law, criminal, and immigration law.

United States Postal Service, 18 years, Manager of EEO Dispute Resolution & previously Logistics & Budget Specialist, USPS Southwest Area Distribution Networks Dallas, Texas November 12, 1983 to July 6, 2001

After receiving USPS EEO Dispute Resolution Training under the Redress Program at the USPS Bolger Academy in Potomac MD in September 2000, I undertook the management of mediators and performed Equal Employment Opportunity counseling for all Postal Employees and management in the USPS Erie District which covered the western one-third of the State of Pennsylvania. I managed the mediator Budget and evaluated and gave feedback to mediators. I also worked with the Philadelphia USPS law office in resolving EEOC complaints for the Erie District.
