

**Texas Department of Insurance**  
**Notice of Workers' Compensation Filing**  
**National Council on Compensation Insurance (NCCI)**

**Item E-1409**

***Enhancement to NCCI's Experience Rating Plan Methodology***

**Filed on October 18, 2022**

**SERFF Tracking No. NCCI-133421360**

**Description:**

- This filing revises some components used in the methodology in NCCI's Experience Rating Plan, but the formulas and general structure are unchanged.
- The revised components are the:
  - Primary/excess loss split point
  - State per claim accident limitation and U.S. Longshore and Harbor Workers' Compensation per claim accident limitation
  - G value, which represents state average claim severity
  - Credibility parameters underlying the calculation of the weight and ballast values
  - Discount ratios
- NCCI proposed that the changes be effective for new and renewal workers' compensation policies issued on or after 12:01 a.m. on July 1, 2024.
- Per Commissioner's Order No. 3142, dated March 21, 2014, the Commissioner may issue an order approving the filing, approving the filing with changes, or rejecting the filing.

**Affected NCCI Manuals:**

- *Experience Rating Plan Manual for Workers Compensation and Employers Liability Insurance*
