In accordance with 28 TAC §5.4911, the Texas Windstorm Insurance Association (TWIA) has filed new endorsement forms with the Texas Department of Insurance for approval:

- Endorsement No. 311 – Extension of Coverage – Additional Living Expense;
- Endorsement No. 321 – Extension of Coverage – Wind-Driven Rain;
- Endorsement No. 331 – Extension of Coverage – Consequential Loss; and
- Endorsement No. 810 – Specified Building or Structure Exclusion Endorsement.

TWIA asserts these endorsements will not change current coverage, but they will reorganize how coverage is described in the policy.

Endorsement Nos. 311, 321, and 331 will replace three existing endorsements (Nos. 310, 320, and 330) that provide various combinations of indirect loss coverage. The new endorsements split out and reorganize provisions from the existing endorsements. TWIA expects the new endorsements will reduce potential confusion.

Endorsement No. 810 will list structures that are excluded from a particular dwelling policy. TWIA currently lists excluded structures on the declarations page. TWIA expects that the new endorsement, which requires the policyholder's signature, will increase the visibility of excluded structures.
