of the
Texas Commissioner of Workers' Compensation**

Date: 12/29/2022

Subject Considered:

Tarrant County
100 East Weatherford Street, Suite 301

Consent Order
DWC Enforcement File No. 29849

General remarks and official action taken:

This is a consent order with Tarrant County (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent is a self-insured government entity that provides workers' compensation benefits to its employees in accordance with Tex. Lab. Code Ch. 504.
2. Respondent was classified as "average" tier in the 2010 and 2020 Performance Based Oversight (PBO) assessments, and as "high" tier in the 2012, 2014 and 2016 PBO assessments. Respondent was not selected to be tiered in the 2007, 2009, or 2018 PBO assessments.

DWC Audit No. IBA-22-123

3. On [REDACTED] DWC initiated DWC Audit No. IBA-22-123 to determine whether Respondent complied with the Texas Labor Code and related rules on the timely payment of accurate death benefits, as well as timely submitting claim data to DWC.
4. The audit examined death benefit payments that Respondent reported issuing between [REDACTED] and [REDACTED] DWC identified four initial death benefit claims for audit. These four claims were reviewed to determine Respondent's compliance.
5. The audit focused on the accuracy of Respondent's payment of death benefits, as well as timely submitting claim data to DWC. The electronic data interchange (EDI) portion of the audit focused on timely reporting death benefit terminations.

Failure to Timely Pay Accurate Death Benefits

6. Respondent failed to timely pay accurate death benefits for 50% of examined payments (2 out of 4).
7. Specifically, Respondent underpaid beneficiaries over the course of two and 81 weeks for two of the examined payments, with total underpayments for these claims being [REDACTED] and [REDACTED] respectively.

Assessment of Sanction

1. Failure to provide death benefits in a timely and cost-effective manner is harmful to injured employees, their beneficiaries, and the Texas workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;

- the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee or their beneficiaries;
 - the history of compliance with EDI requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; and whether the administrative violation had a negative impact on the delivery of benefits to an injured employee or their beneficiaries.
4. DWC found the following mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e): other matters that justice may require, including, but not limited to PBO assessments.
5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
