

No. **2023-8423**

**Official Order
of the
Texas Commissioner of Workers' Compensation**

Date: 12/19/2023

Subject Considered:

Technology Insurance Company, Inc.
PO Box 89404
Cleveland, Ohio 44101-6404

Consent Order
DWC Enforcement File No. 32699

General remarks and official action taken:

This is a consent order with Technology Insurance Company, Inc. (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write workers' compensation/employers' liability insurance in Texas.
2. Respondent was classified as "average" tier in the 2018 and 2020 Performance Based Oversight (PBO) assessments. Respondent was not selected to be tiered in the 2022 PBO assessment.

Failure to Timely Act on a Medical Bill

3. On [REDACTED], a Designated Doctor (DD) provided medical services to an injured employee. On [REDACTED], Respondent received a completed medical bill for \$ [REDACTED] from the DD.
4. Respondent was required to act on the bill within 45 days of receiving it. The deadline to act was [REDACTED].
5. On [REDACTED], Respondent paid \$ [REDACTED] to the DD, which was 168 days late.
6. On [REDACTED], Respondent paid \$ [REDACTED] in interest, which was 15 days late.

Assessment of Sanction

1. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system. It is a serious violation to fail to timely act on a medical bill involving designated doctor services, which do not require preauthorization and which serve an essential function in the Texas workers' compensation system. Untimely payment can have a chilling effect on a designated doctors' participation in the system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and

- other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the penalty necessary to deter future violations; to the extent reasonable, the economic benefit resulting from the prohibited act, and other matters that justice may require, including, but not limited to the size of the company or practice. Respondent has a recent history of substantially similar violations, including DWC Order 7847 (2023), two warning letters in 2022 and one warning letter in 2020. Further, the late medical bill payment was 168 days late and involved DD services, which do not require preauthorization and are essential to the Texas workers' compensation system.
 4. DWC is aware of no mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

1. The commissioner has jurisdiction over this matter pursuant to Tex. Lab. Code §§ 402.001, 402.00111, 402.00114, 402.00116, 402.00128, 414.002, and 414.003.

3. Respondent has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.
4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.

8. Respondent violated Tex. Lab. Code §§ 408.027; 415.002(a)(20) and (22); and 28 Tex. Admin. Code § 133.240 by failing to pay, reduce, deny, or determine to audit a completed medical bill within 45 days of receiving the bill.

Failure to Timely Pay Interest for Medical Benefits

9. Pursuant to Tex. Lab. Code § 413.019(a) and 28 Tex. Admin. Code § 134.130(a), an insurance carrier must pay interest on medical bills paid on or after the 60th day after the insurance carrier originally received the complete medical bill.
10. Respondent violated Tex. Lab. Code §§ 413.019(a), 415.002(a)(20) and (22) by failing to pay interest on medical bills paid on or after the 60th day after the insurance carrier originally received the complete medical bill.
