Consent Order
DWC Enforcement File No. 33262

General remarks and official action taken:

This is a consent order with Berkley Regional Insurance Company (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was not selected to be tiered in any Performance Based Oversight (PBO) assessments.

4. On [REDACTED], Respondent received a completed medical bill for \$ [REDACTED] from the DD.
5. Respondent was required to act on the bill within 45 days of receiving it. The deadline to act was [REDACTED].
6. On [REDACTED], Respondent issued a check for \$ [REDACTED] to the DD, which was 46 days late. This check was issued to the DD at the wrong address.
7. On [REDACTED], Respondent re-issued the check of \$ [REDACTED] to the DD at the correct address, which was 277 days late.

Failure to Timely Pay Interest on a Late Medical Bill Payment

8. On [REDACTED], Respondent paid \$ [REDACTED] in due interest to the DD, which was 277 days late.

Assessment of Sanction

1. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system. It is a serious violation to fail to timely act on a medical bill involving DD services, which do not require preauthorization and which serve an essential function in the Texas workers' compensation system. Untimely payment can have a chilling effect on a DD's participation in the system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;

- the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; and whether the administrative violation had a negative impact on the delivery of benefits to an injured employee. Further, the late medical bill payments were 46 days late and involved DD services, which do not require preauthorization and are essential to the Texas workers' compensation system.
4. DWC is aware of no mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

3. Respondent has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.
4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to Tex. Lab. Code § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.

Failure to Timely Pay Interest on a Late Medical Bill Payment

9. Pursuant to 28 Tex. Admin. Code § 133.240(l), all payments of medical bills that an insurance carrier makes on or after the 60th day after the date the insurance carrier originally received the complete medical bill shall include interest calculated in accordance with § 134.130 of this title without any action taken by the division. The interest payment shall be paid at the same time as the medical bill payment.

10. Respondent violated Tex. Lab. Code § 415.002(a)(22), and 28 Tex. Admin. Code § 133.240(l) by failing to timely pay interest on a late medical bill payment.
