RE: Texas Windstorm Insurance Association Annual Rate Filing

Dear J'ne:

Section 2210.352 of the Texas Insurance Code states that, not later than August 15 of each year, the Texas Windstorm Insurance Association shall file with the Department a proposed manual rate for all types and classes of risks written by the Association.

This filing is made pursuant to Section 2210.352 (a-1) and fulfills all of the requirements of that subsection.

On August 2, 2022, the Board of Directors of the Association voted to file for uniform 0% changes in both its residential and commercial rates. The most current actuarial review results in indications of +15% and +11% for residential and commercial rates, respectively. The complete residential and commercial analyses are attached.
