RE: Revised DWC Form-007, *Employer's Report of Noncovered Employee's Work-related Injury or Illness*

The Texas Department of Insurance, Division of Workers' Compensation (DWC) has adopted revisions to the DWC Form-007, *Employer's Report of Noncovered Employee's Work-related Injury or Illness*.

We posted the draft form online from January 28, 2022, to February 11, 2022.

The adoption of this form is necessary to allow employers to file a report with DWC for each on-the-job injury that results in the employee's absence from work for more than one day and for an occupational disease of which the employer has knowledge. This form allows nonsubscribing employers to report these injuries to DWC. The revisions update the forms to meet new DWC forms standards.

Parties may use the adopted form immediately. The forms are on the [TDI website](#).
