

APPEAL NO. 002580

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing (CCH) was held on October 3, 2000. The hearing officer resolved the disputed issues of extent of injury, disability, and bona fide offer by deciding:

1. The claimant's compensable injury did not extend to an injury to her left knee or to her back.
2. The claimant did not have disability from June 5, 2000, to the date of the CCH.
3. The employer made a bona fide offer of modified duty employment to the claimant.

The claimant appealed and the carrier responded.

DECISION

Finding sufficient evidence to support the decision of the hearing officer and no reversible error in the record, we affirm the decision and order of the hearing officer.

There was conflicting evidence presented at the CCH on the disputed issues. The hearing officer's determinations on the issues is not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).
