

APPEAL NO. 010209

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on January 9, 2001. The hearing officer determined that the appellant (claimant) did not sustain a compensable injury and that she did not have disability. Claimant appealed these determinations on sufficiency grounds. Respondent (carrier) responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

Claimant appeals the injury and disability determinations on sufficiency grounds. The matters claimant complained of in her brief all concern credibility and fact issues, which were for the hearing officer to consider. We have reviewed the complained-of determinations and we conclude that they are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
