

APPEAL NO. 010462

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on February 2, 2001. The hearing officer determined that respondent (claimant) sustained a specific sprain/strain injury to both feet on \_\_\_\_\_, and that he had disability from October 16, 2000, through December 17, 2000. Appellant (carrier) appeals these determinations on sufficiency grounds.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determinations are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
