

APPEAL NO. 010883  
FILED JUNE 7, 2001

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on March 28, 2001. With respect to the issues before her, the hearing officer determined that the appellant (claimant) is not entitled to supplemental income benefits for the eighth quarter. The claimant appeals, essentially claiming that the hearing officer's decision is against the great weight and preponderance of the evidence. The respondent (carrier) responds, urging affirmance.

DECISION

We affirm.

The claimant appeals the hearing officer's determinations on sufficiency grounds. The matters the claimant complained of in its brief all concern credibility and fact issues, which were for the hearing officer to consider. We have reviewed the complained-of determinations and we conclude that they are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
