

APPEAL NO. 010890
FILED JUNE 11, 2001

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on March 28, 2001. The hearing officer determined that the _____, compensable injury of the respondent (claimant) included injuries to her right shoulder and cervical spine and that she sustained these injuries during medical treatment. Appellant (carrier) appealed this determination on sufficiency grounds. Claimant responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

We have reviewed the complained-of determination and conclude that the issue involved a fact question for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determination is not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.

Judy L. S. Barnes
Appeals Judge
