

APPEAL NO. 011125  
FILED JULY 03, 2001

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on May 8, 2001. With respect to the issues before him, the hearing officer determined that appellant (claimant) did not sustain a compensable occupational disease injury, that she timely reported her alleged injury, and that she did not have disability. Claimant appeals the injury and disability determinations, contending that they are against the great weight and preponderance of the evidence. Respondent (carrier) responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

Claimant appeals the hearing officer's determinations on sufficiency grounds. The matters claimant complains of in her brief all concern credibility and fact issues, which were for the hearing officer to consider. We have reviewed the complained-of determinations and we conclude that they are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
