

APPEAL NO. 011340  
FILED JULY 27, 2001

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on May 24, 2001. With respect to the issues before him, the hearing officer determined that the appellant (claimant) did not sustain a compensable injury on \_\_\_\_\_, and that the claimant did not have disability. In his appeal, the claimant argues that those determinations are against the great weight of the evidence. In its response to the claimant's appeal, the respondent (carrier) urges affirmance.

DECISION

Affirmed.

The hearing officer did not err in determining that the claimant did not sustain a compensable injury and that he did not have disability. The hearing officer is the sole judge of the weight and credibility of the evidence. Section 410.165(a). There was conflicting evidence on injury and disability issues. The hearing officer resolved the conflicts and inconsistencies in the evidence against the claimant and he was acting within his role as the fact finder in determining that the claimant did not sustain his burden of proof on either issue. Nothing in our review of the record indicates that the challenged determinations are so against the great weight of the evidence as to be clearly wrong or manifestly unjust. Accordingly, no sound basis exists for us to disturb those determinations on appeal. Pool v. Ford Motor Co., 715 S.W.2d 629, 635 (Tex. 1986); Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The hearing officer's decision and order are affirmed.
