

APPEAL NO. 011516
FILED AUGUST 9, 2001

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on June 5, 2001. The hearing officer determined that appellant (claimant) did not sustain a compensable injury and that he did not have disability. Claimant appealed these determinations on sufficiency grounds. Respondent (carrier) responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We note that there was testimony from claimant that his injuries and complaints are no different now than they were in 1995 and 1998. We conclude that the hearing officer's determinations are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.

Judy L. S. Barnes
Appeals Judge
