

APPEAL NO. 011664
FILED AUGUST 29, 2001

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 et seq. (1989 Act). A contested case hearing was held on June 11, 2001, with the record closing on June 25, 2001. With respect to the issues before him, the hearing officer determined that the respondent (claimant) sustained a compensable injury to her left shoulder on _____, and that she had resultant disability from June 6, 2000, to June 27, 2000. The appellant (self-insured) appeals on sufficiency grounds. The claimant responds and urges affirmance.

DECISION

Reversed and remanded.

This case is remanded for the sole purpose of obtaining compliance with HB2600, which amended Section 410.164, effective June 17, 2001. Section 410.164 was amended by the addition of subsection (c), which provides as follows:

At each [hearing], as applicable, the insurance carrier shall file with the hearing officer and shall deliver to the claimant a single document stating the true corporate name of the insurance carrier and the name and address of the insurance carrier's registered agent for service of process. The document is part of the record of the [hearing].

The procedure to be used for implementing the statutory amendment is contained in the June 19, 2001, Texas Workers' Compensation Commission (Commission) memorandum to hearing officers entitled "Required Insurance Carrier Information." A rehearing on remand is required to obtain the required information from the self-insured and to admit it into evidence.

Pending resolution of the remand, a final decision has not been made in this case. However, since reversal and remand necessitate the issuance of a new decision and order by the hearing officer, a party who wishes to appeal from such new decision must file a request for review not later than 15 days after the date on which such new decision is received from the Commission's Division of Hearings, pursuant to Section 410.202, which

was amended June 17, 2001, to exclude Saturdays, Sundays, and holidays listed in the Government Code in the computation of the 15-day appeal and response periods.
