

APPEAL NO. 012082
FILED OCTOBER 12, 2001

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on July 25, 2001. The hearing officer determined that appellant (claimant) did not have disability from October 23, 1997, through September 15, 1998. Claimant appealed this determination on sufficiency grounds. Respondent (carrier) responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

We have reviewed the complained-of determination regarding disability and conclude that the issue involved a fact question for the hearing officer. The hearing officer reviewed the record and decided what facts were established. The hearing officer heard the evidence regarding whether claimant's employment was terminated for cause, whether he continued to work without complaint after his compensable injury, and whether he was able to work before his employment was terminated. We conclude that the hearing officer's disability determination is not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
