

APPEAL NO. 021327
FILED JULY 1, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on April 23, 2002. The appellant (claimant) appeals the hearing officer's determination that the claimant did not sustain a compensable injury on _____, and that because the claimant did not sustain a compensable injury, the claimant did not have disability. The respondent (carrier) responds, urging affirmance.

DECISION

Affirmed.

The claimant's testimony concerning the mechanism of injury conflicted greatly with the information contained in the medical records. The hearing officer is the sole judge of the weight and credibility of the evidence. Section 410.165(a). The hearing officer reviewed the record and resolved what facts were established. We conclude that the hearing officer's determinations are sufficiently supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the decision and order of the hearing officer.
