

APPEAL NO. 021732
FILED AUGUST 22, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on May 17, 2002. The hearing officer determined that the appellant's (claimant) _____, compensable injury does not extend to and include an injury to the cervical area in the form of a strain/sprain nor does it include bilateral carpal tunnel syndrome. The claimant appealed and the respondent (carrier) responded, urging affirmance.

DECISION

Affirmed.

We have reviewed the complained-of determinations and find that the hearing officer's Decision and Order is supported by sufficient evidence to be affirmed in its entirety. The issue as to the extent of the claimant's compensable injury presented a question of fact for the hearing officer. The hearing officer is the sole judge of the weight and credibility of the evidence. Section 410.165(a); Texas Employers Insurance Association v. Campos, 666 S.W.2d 286 (Tex. App.-Houston [14th Dist.] 1984, no writ). There was conflicting evidence presented on the disputed issues. It was for the hearing officer, as the trier of fact, to resolve the conflicts and inconsistencies in the evidence and to determine what facts had been established. Garza v. Commercial Insurance Company of Newark, New Jersey, 508 S.W.2d 701 (Tex. Civ. App.-Amarillo 1974, no writ). Nothing in our review of the record reveals that the hearing officer's determinations are so contrary to the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. As such, no sound basis exists for us to reverse those determinations on appeal. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The hearing officer's decision and order are affirmed.

The true corporate name of the insurance carrier is **ROYAL INSURANCE COMPANY OF AMERICA** and the name and address of its registered agent for service of process is

**CORPORATION SERVICE COMPANY
800 BRAZOS
AUSTIN, TEXAS 78701.**
