

APPEAL NO. 021897
FILED AUGUST 29, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on June 20, 2002. The hearing officer determined that the appellant (claimant) is entitled to \$504.05, for 1,461 miles of travel to obtain medical care from November 29, 2001, through March 1, 2002. The claimant appeals that determination and the respondent (carrier) responds, urging affirmance.

DECISION

Affirmed as reformed.

The claimant contends on appeal that the hearing officer erred in the calculation of mileage reimbursement because the mileage she submitted is greater than the mileage the hearing officer determined to be reimbursable. Although the hearing officer discounted some of the mileage submitted as not reimbursable for reasons set out in the decision and order, calculation of the remaining mileage does not compute to the amount stated by the hearing officer. Apparently the hearing officer failed to add in one of the pages containing mileage reimbursement requests that he had found reimbursable. We reform the hearing officer's decision and order to reflect that the claimant is entitled to \$645.50, for 1,871 miles of travel to obtain medical care from November 29, 2001, through March 1, 2002.

Affirmed as reformed.
