

APPEAL NO. 022339
FILED NOVEMBER 5, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on August 20, 2002. The hearing officer determined that (1) the respondent (claimant) sustained a compensable aggravation injury to her T5 disc on _____; and (2) the claimant had disability beginning _____, and continuing through the date of the hearing. The appellant (carrier) appeals the determinations on sufficiency grounds. The claimant urges affirmance.

DECISION

Affirmed.

The hearing officer did not err in reaching the complained-of determinations. The determinations involved questions of fact for the hearing officer to resolve. The hearing officer is the sole judge of the weight and credibility of the evidence (Section 410.165(a)) and, as the trier of fact, resolves the conflicts and inconsistencies in the evidence including the medical evidence (Texas Employers Insurance Association v. Campos, 666 S.W.2d 286 (Tex. App.-Houston [14th Dist.] 1984, no writ)). In view of the evidence presented, we cannot conclude that the hearing officer's determinations are so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The decision and order of the hearing officer are affirmed.

The true corporate name of the self-insured is **(SELF-INSURED)** and the name and address of its registered agent for service of process is
