

APPEAL NO. 022581  
FILED NOVEMBER 19, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing (CCH) was held on September 5, 2002. The hearing officer determined that the appellant's (claimant) compensable injury of \_\_\_\_\_, does not extend to include his left knee. The claimant appealed on sufficiency of the evidence grounds. The respondent (self-insured) responded, urging affirmance.

DECISION

Affirmed.

Extent of injury is a factual determination for the hearing officer to make, based upon the evidence presented at the CCH. The hearing officer determined that the claimant failed to meet his burden of proof on the disputed issue. The evidence supports the hearing officer's factual determinations. The hearing officer, as finder of fact, is the sole judge of the relevance and materiality of the evidence as well as the weight and credibility that is to be given to the evidence. Section 410.165(a). It is for the hearing officer to resolve the inconsistencies and conflicts in the evidence. Garza v. Commercial Insurance Company of Newark, New Jersey, 508 S.W.2d 701 (Tex. Civ. App.-Amarillo 1974, no writ). The Appeals Panel will not disturb the challenged factual findings of a hearing officer unless they are so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust, and we do not find them to be so in this case. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986); In re King's Estate, 150 Tex. 662, 244 S.W.2d 660 (1951).

We affirm the decision and order of the hearing officer.

The true corporate name of the insurance carrier is **(a self-insured governmental entity)** and the name and address of its registered agent for service of process is

**CITY SECRETARY  
(ADDRESS)  
(CITY), TEXAS (ZIP CODE).**
