

APPEAL NO. 023029
FILED JANUARY 21, 2003

This appeal arises pursuant to the Texas Workers= Compensation Act, TEX. LAB. CODE ANN. ' 401.001 *et seq.* (1989 Act). A contested case hearing was held on October 31, 2002. The hearing officer determined that the _____, compensable injury of respondent (claimant) extends to and includes impingement of the left shoulder joint, a scapular nerve injury, and a now resolved cervical sprain/strain. The hearing officer also determined that the injury did not extend to a herniated disc at C5-6, a disc bulge at C6-7, or a disc protrusion at L5-S1. Appellant (carrier) appealed the determinations regarding the shoulder impingement and scapular nerve injury on sufficiency grounds. The file does not contain a response from claimant.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer=s determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer=s decision and order.

According to information provided by carrier, the true corporate name of the insurance carrier is **CONTINENTAL CASUALTY COMPANY** and the name and address of its registered agent for service of process is

**CT CORPORATION
350 NORTH ST. PAUL STREET
DALLAS, TEXAS 75201.**
