

APPEAL NO. 030578
FILED APRIL 24, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on February 19, 2003. The hearing officer decided that the compensable injury to the appellant's (claimant) left arm/shoulder does not extend to and include Reflex Sympathetic Dystrophy/Chronic Regional Pain Syndrome to her arms, legs, neck, and back. The claimant appeals this determination. The appeal file contains no response from the respondent (carrier).

DECISION

Affirmed.

Whether the claimant's compensable injury included the alleged conditions was a factual question for the hearing officer to resolve. The hearing officer is the sole judge of the weight and credibility of the evidence. Section 410.165(a). As the trier of fact, the hearing officer resolves the conflicts in the evidence and determines what facts have been established. Nothing in our review of the record indicates that the hearing officer's decision is so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The decision and order of the hearing officer are affirmed.

The true corporate name of the insurance carrier is **STATE OFFICE OF RISK MANAGEMENT (a self-insured governmental entity)** and the name and address of its registered agent for service of process is

For service in person the address is:

**RON JOSSELET, EXECUTIVE DIRECTOR
STATE OFFICE OF RISK MANAGEMENT
