

APPEAL NO. 030720
FILED MAY 5, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on February 26, 2003. The hearing officer determined that respondent (claimant) sustained a compensable injury and that he had disability from October 5, 2002, through the date of the hearing. Appellant (carrier) appealed these determinations on sufficiency grounds. Claimant responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. The hearing officer clearly believed claimant's testimony regarding his injury. Regarding disability, claimant testified that he has not been able to return to work. He discussed his continuing pain and physical problems due to his injury and testified regarding the activities he is no longer able to do. We conclude that the hearing officer's determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
