

APPEAL NO. 031140
FILED JUNE 20, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on April 15, 2003. The hearing officer determined that the appellant's (claimant) compensable injury of _____, does not include right ulnar nerve entrapment at the elbow, an injury to the cervical spine, or right carpal tunnel syndrome. The claimant appeals the hearing officer's decision. The respondent (carrier) urges affirmance.

DECISION

Affirmed

Extent of injury is a factual question for the hearing officer to resolve. The hearing officer is the sole judge of the weight and credibility of the evidence (Section 410.165(a)) and, as the trier of fact, resolves the conflicts and inconsistencies in the evidence including the medical evidence (Texas Employers Insurance Association v. Campos, 666 S.W.2d 286 (Tex. App.-Houston [14th Dist.] 1984, no writ)). In view of the evidence presented, we cannot conclude that the hearing officer's decision is so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The decision and order of the hearing officer are affirmed.

The true corporate name of the insurance carrier is **FIDELITY & GUARANTY INSURANCE COMPANY** and the name and address of its registered agent for service of process is

**CORPORATION SERVICE COMPANY
800 BRAZOS
AUSTIN, TEXAS 78701.**
