

APPEAL NO. 032749
FILED NOVEMBER 20, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on September 2, 2003. The hearing officer determined that the appellant (claimant) did not sustain a compensable repetitive trauma injury, with a date of injury of _____, and that he, therefore, did not have disability. The claimant appealed on sufficiency of the evidence grounds. The respondent (self-insured) responded, urging affirmance.

DECISION

Affirmed.

The claimant had the burden of proof on the issues. Conflicting evidence was presented at the hearing. The 1989 Act makes the hearing officer the sole judge of the weight and credibility to be given to the evidence. Section 410.165(a). The finder of fact may believe that the claimant has an injury, but disbelieve that the injury occurred at work as claimed. Johnson v. Employers Reinsurance Corp., 351 S.W.2d 936 (Tex. Civ. App.-Texarkana 1961, no writ). A fact finder is not bound by medical evidence where the credibility of that evidence is manifestly dependent upon the credibility of the information imparted to the doctor by the claimant. Rowland v. Standard Fire Ins. Co., 489 S.W.2d 151 (Tex. Civ. App.-Houston [14th Dist.] 1972, writ ref'd n.r.e.). Our review of the record reveals that the hearing officer's determinations are supported by sufficient evidence and are not so contrary to the overwhelming weight of the evidence as to be clearly wrong or unjust. Thus, no sound basis exists for us to disturb those determinations on appeal. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the decision and order of the hearing officer.

The true corporate name of the insurance carrier is **(a self-insured governmental entity)** and the name and address of its registered agent for service of process is

**MAYOR
(ADDRESS)
(CITY), TEXAS (ZIP CODE).**
