

APPEAL NO. 032763
FILED DECEMBER 3, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on October 1, 2003. The hearing officer determined that the appellant (claimant) did not sustain a compensable repetitive trauma injury. The claimant appeals on sufficiency of the evidence grounds. The respondent (carrier) urges affirmance.

DECISION

Affirmed.

The hearing officer did not err in making the complained-of determination. The determination involved a question of fact for the hearing officer to resolve. The hearing officer is the sole judge of the weight and credibility of the evidence (Section 410.165(a)) and, as the trier of fact, resolves the conflicts and inconsistencies in the evidence including the medical evidence (Texas Employers Insurance Association v. Campos, 666 S.W.2d 286 (Tex. App.-Houston [14th Dist.] 1984, no writ)). The hearing officer considered the evidence but was not persuaded that the claimant's bilateral carpal tunnel syndrome is work-related. In view of the evidence presented, we cannot conclude that the hearing officer's determination is so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The decision and order of the hearing officer are affirmed.

The true corporate name of the insurance carrier is **THE INSURANCE COMPANY OF THE STATE OF PENNSYLVANIA** and the name and address of its registered agent for service of process is

**CORPORATION SERVICE COMPANY
800 BRAZOS, SUITE 750, COMMODORE 1
AUSTIN, TEXAS 78701.**
