

APPEAL NO. 032935
FILED JANUARY 5, 2004

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on October 9, 2003. The hearing officer determined that the respondent's (claimant) compensable injury of _____, extends to and includes an osteochondral lesion of the right foot. The appellant (carrier) appeals this determination. The claimant urges affirmance of the hearing officer's decision and order.

DECISION

Affirmed.

Extent of injury is a factual question for the hearing officer to resolve. The hearing officer is the sole judge of the weight and credibility of the evidence (Section 410.165(a)) and resolves the conflicts and inconsistencies in the evidence including the medical evidence (Texas Employers Insurance Association v. Campos, 666 S.W.2d 286 (Tex. App.-Houston [14th Dist.] 1984, no writ)). The trier of fact may believe all, part, or none of the testimony of any witness. Aetna Insurance Company v. English, 204 S.W.2d 850 (Tex. Civ. App.-Fort Worth 1947, no writ). The hearing officer was persuaded by the evidence that the claimant's compensable injury includes an osteochondral lesion of the right foot. Nothing in our review of the record indicates that the hearing officer's decision is so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The hearing officer's decision and order are affirmed.

The true corporate name of the insurance carrier is **CONTINENTAL CASUALTY COMPANY** and the name and address of its registered agent for service of process is
