

APPEAL NO. 033239
FILED FEBRUARY 3, 2004

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on November 12, 2003. The hearing officer determined that the appellant's (claimant) compensable injury of _____, does not include a bursa tear of the right shoulder with impingement syndrome, and that the claimant did not have disability as a result of the _____, compensable injury. The claimant appealed, arguing that the hearing officer's extent-of-injury and disability determinations are against the great weight and preponderance of the evidence. In its response, the respondent (carrier) urges affirmance.

DECISION

Affirmed.

The hearing officer did not err in determining that the claimant's compensable injury of _____, does not include a bursa tear of the right shoulder with impingement syndrome, and that the claimant did not have disability. The claimant had the burden of proof on those issues and they presented questions of fact for the hearing officer. There was conflicting evidence presented on the disputed issues. The 1989 Act makes the hearing officer the sole judge of the weight and credibility to be given to the evidence. Section 410.165(a). As such, the hearing officer was required to resolve the conflicts and inconsistencies in the evidence and to determine what facts the evidence established. In this instance, the hearing officer simply was not persuaded that the claimant sustained his burden of proof on either the extent-of-injury or disability issues. The hearing officer was acting within her province as the fact finder in so finding. Nothing in our review of the record reveals that the challenged determinations are so contrary to the overwhelming weight of the evidence as to be clearly wrong or unjust. Thus, no sound basis exists for us to disturb those determinations on appeal. Cain v. Bain, 709 S.W.2d 175 (Tex. 1986).

The hearing officer's decision and order are affirmed.
