

APPEAL NO. 040660  
FILED MAY 17, 2004

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on February 19, 2004. The hearing officer determined that appellant (claimant) did not sustain a compensable injury and that he did not have disability. Claimant appealed these determinations on sufficiency grounds. Claimant also complained that the hearing officer relied on statements from his coworkers. Respondent (carrier) responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

We note that claimant complains about statements from coworkers that were admitted at the hearing. However, claimant did not object to the admission of the statements and the hearing officer did not err in admitting or considering them. See Texas Workers' Compensation Commission Appeal No. 91104, decided January 21, 1992. We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
