

APPEAL NO. 080979  
FILED AUGUST 18, 2008

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing (CCH) was held on June 11, 2008. The hearing officer resolved the disputed issue by deciding that the respondent (claimant) sustained a compensable injury on \_\_\_\_\_. The appellant (self-insured) appealed, disputing the compensable injury determination. The claimant responded, urging affirmance.

DECISION

Reversed and remanded for reconstruction of the record.

The CCH record, including the exhibits, has not been received by the Appeals Panel. Efforts to locate the record of the proceeding have been unsuccessful. Section 410.203(a)(1) requires the Appeals Panel to consider the record developed at the CCH. Consequently, we reverse and remand this case for reconstruction of the record, or forwarding of the CCH record if it can be located. See Appeals Panel Decision (APD) 060353, decided April 12, 2006.

Pending resolution of the remand, a final decision has not been made in this case. However, since reversal and remand necessitate the issuance of a new decision and order by the hearing officer, a party who wishes to appeal from such new decision must file a request for review not later than 15 days after the date on which such new decision is received from the Texas Department of Insurance, Division of Workers' Compensation, pursuant to Section 410.202 which was amended June 17, 2001, to exclude Saturdays and Sundays and holidays listed in Section 662.003 of the Texas Government Code in the computation of the 15-day appeal and response periods. See APD 060721, decided June 12, 2006.

The true corporate name of the insurance carrier is **(a self-insured governmental entity)** and the name and address of its registered agent for service of process is

**JG  
(ADDRESS)  
(CITY), TEXAS (ZIP CODE).**
