Long-Term Care Insurance Personal Worksheet - Rate Increase History

Company Name: STATE FARM MUTUAL AUTOMOBILE INSURANCE COMPANY
TDI #: 79250

A company may state it has never increased rates under any prior individual or group policy forms in this state or any other state. The issuer must list each premium increase it has instituted on this or similar individual or group policy forms in this state or any other state during the last 10 years. The list must specify the individual or group policy form, the calendar years the form was available for sale, and the calendar year and the amount (percentage) of each increase. The insurer must provide minimum and maximum percentages if the rate increase is variable by rating characteristics. The insurer may provide, in a fair manner, additional explanatory information as appropriate.
