## **INTRODUCTION**

This current issue of *Filing Smart* was compiled by the Financial Program and Data Services Division of the Texas Department of Insurance ("TDI"), with contributions from you, our customer. Our goal is to simplify filing the many documents mandated by Texas statutes and regulations with the various activities of the Financial Program. Every year we strive to provide detailed, yet helpful information in a simple format. This year's edition of *Filing Smart* can be accessed through TDI's Home Page at: **<http://www.tdi.state.tx.us/financial/indexsmart.html>** .

Requirements for filing annual, quarterly, and supplemental filings listed in *Filing Smart* are based on proposed Annual Statement Rule 28 Texas Administrative Code (TAC) §7.65 - *Requirements for filing the 2010 Annual and 2011 Quarterly Statements and Other Reporting Forms*.
