

Fire Sprinkler Resources

It is the State Fire Marshal's Office's responsibility to inform Texans about the fire protection and prevention measures available to them, such as smoke alarms and home sprinkler systems, both of which are proven life and property savers.

Here are some sources for information about the life-saving benefits of fire sprinklers.

For additional information
call 1-877-550-HFSC (4372).

For resources contact Peg Paul Associates at (815) 464-8001. Go to web site to send contact e-mail to them.

The resource list includes fire chiefs, people who experienced house fires with and without sprinklers and HFSC spokespeople. Photos and illustrations are also available to the media including a living room before a fire, the living room after a home fire sprinkler extinguished a fire, and the same living room after a fire without a home fire sprinkler. B-roll is available to TV media including a living room fire, a fire sprinkler activating and extinguishing a fire and various interviews.
