Frequently Asked Questions Request for Designated Doctor Examination (DWC Form-032)

Who may request that a designated doctor examination be ordered?

The injured employee, the injured employee's representative, or the insurance carrier may request the Texas Department of Insurance, Division of Workers' Compensation (DWC) to order a designated doctor examination. DWC may also order a designated doctor examination on its own motion.

How often can a designated doctor examination be performed?

Prior to Supplemental Income Benefits (SIBs) eligibility and during the first eight quarters of receiving SIBs, a designated doctor examination may not be performed more than once every 60 days. DWC may approve additional requests for an examination within the 60-day period if good cause exists. After eight quarters of SIBs, a designated doctor examination may be performed no more than once per year.

Do I have to complete all the fields on the DWC Form-032?

Failure to provide all required information on the DWC Form-032 may cause a delay in processing and your request may be returned to you. If the injured employee does not have a treating doctor, you must specify "*No Treating Doctor*" in the space provided for the treating doctor's name in Box 29. If any other requested information is not applicable, answer "N/A".

Where do I file the DWC Form-032?

You are **required to provide a copy of the completed DWC Form-032 to all parties** at the time you submit the original request to DWC. Submit the completed form to DWC by fax to (512) 804-4121 or by mail to the address shown below.

What does DWC do?

If the request is approved, DWC assigns a qualified designated doctor to examine the injured employee. If there is a designated doctor who was previously assigned to the claim, the same doctor will be used as long as the doctor is still qualified and available. Within 10 days DWC will issue an order to the parties regarding the examination. If the request is denied, you will receive a notice providing you with the specific reason(s) for the denial.

If you wish to dispute DWC's approval or denial of a *Request for Designated Doctor Examination*, you are entitled to seek an expedited Contested Case Hearing under 28 Texas Administrative Code §140.3.
