Dear Sir:

I previously advised you that my medical practice had suffered a catastrophic event. We lost all electrical, phone and internet service. We were unable to access our accounts receivable, billing and insurance records. Normal business operations were out from 8/24/17 to 9/11/17, a period of 19 days. Hence, we request a 19 day extension on the 95 day filing deadlines.

Sincerely,

A handwritten signature in cursive script that reads "John E. Bishop" followed by a stylized flourish.
