RE: Health Insurance Claims Filing Deadline Extension

To Whom It May Concern:

Due to Hurricane Harvey coming ashore along the Texas Coastline and subsequent catastrophic flooding disaster in Houston, Texas, we are unable to access my practice location in downtown Houston to submit claims in time for the 90-95 day claims filing deadline.

I am asking for an extension. At this time I am unsure when we have access and return to normal business operations, but anticipate by month's end.

I will communicate again when normal business operations resume.
