

To: The Texas Department of Insurance
Subject: Our office damage

This message is to notify you that our office Victoria cancer care center (Mohammed Hassan Sabbagh MD PA, 2700 Citizens Plaza, ste 203, Victoria Texas 77901) was damaged in the hurricane and we are unable to see our patients there for the next two months till the building is restored. Therefore, we will not be able to do our billing on that location. We are seeing our patients for now for continuation of care at the following location 601 E San Antonio, ste 402W, Victoria TX 77901 phone 361-485-9600. We did our best to notify you ASAP due to lack of internet. If you have any questions please contact us on the new location 361-485-9600.
